Help a Horse Day is a national celebration to raise awareness of the plight of horses. Florida TRAC is hosting a fundraiser event to support the cause.

We are a non-profit 501(c)(3) organization made up of volunteers dedicated to finding adoptive "forever" homes for retired Thoroughbreds. Monthly expenses for basic care, feed, transportation, veterinary care, supplies, retraining, board, & placement costs are \$\$\$.

Each and every donation brings us closer to achieving our goal for these horses. Please join us and support our cause.
